OUR STORIES

Headquartered in Al Jubail, Saudi Arabia, Red Camel stands as the premier Heavy Equipment Rental Solution provider within the Kingdom, servicing esteemed clientele across the Oil & Gas, Construction & Infrastructure, Industrial & Manufacturing, Offshore & Mining, as well as Event & Hospitality sectors. With a strategic presence nationwide, we boast an extensive fleet of top-tier equipment meticulously curated to meet the diverse needs of our clientele.

Our unwavering commitment to excellence is underscored by enduring partnerships, leveraging associations with globally renowned brands and industry leaders. We pride ourselves on upholding the pinnacle of professionalism and operational integrity, setting industry benchmarks with our adherence to the highest standards.

At Red Camel, our comprehensive inventory spans an array of essential equipment categories including Energy, Material Handling, Earth Moving, Aerial Platform, Lifting, Transportation, Porta Cabin, Scaffolding, and a dedicated pool of Skilled Workforce, ensuring our clients have access to the most advanced and reliable resources for their projects.

OUR PEOPLE

OUR BEST ASSET

Red Camel takes pride in its sizable team of experienced, skilled, and trained employees. We're not just individuals, we are a force dedicated to your success.

OUR VALUES

At Red Camel, our exceptional leadership team embodies the core values that drive our success and set us apart in the industry. Committed to being progressive in everything we do, our seasoned executives are constantly seeking innovative ways to improve and refine our services, ensuring that we remain at the forefront of the Rental industry.

DELIVER HIGHEST **QUALITY**

FOCUS ON **INNOVATIVE** TECHNOLOGY & SOLUTIONS

SAFETY FIRST IN EVERYTHING WE DO

UPHOLDING **INTEGRITY** ACROSS ALL OUR OPERATIONS

COMMITMENT AMONG OUR EMPLOYEES

WORKING TOWARDS A **SUSTAINABLE FUTURE**

RELIABLE PARTNER FOR OUR CUSTOMERS

OUR AMBITION & PURPOSE

Our aspiration is to emerge as a preeminent global provider of Integrated Energy, Material Handling, Lifting, and Earth Moving Solutions, distinguished by our commitment to employing cutting-edge technology, adhering to the highest safety standards, and deploying the most reliable equipment and techniques available

EXPERTS IN WHAT WE DO

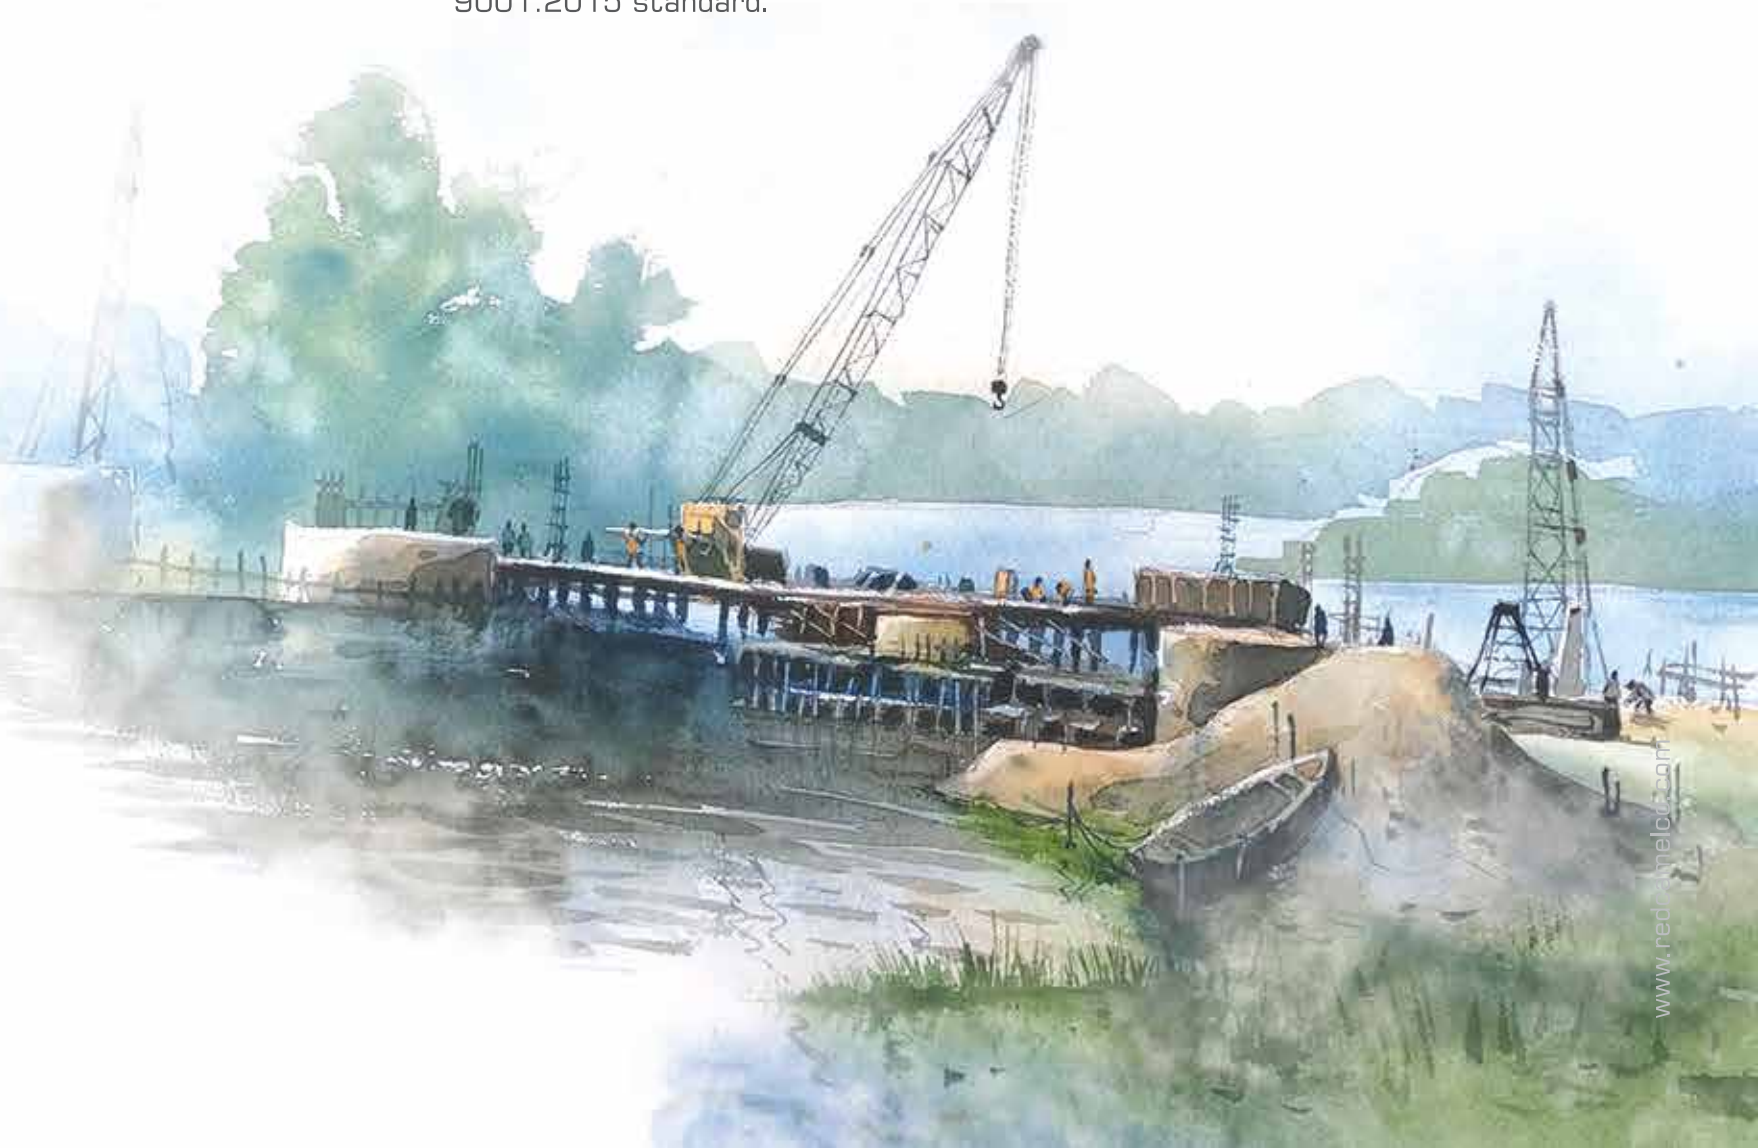

We are shaping the industry in our markets, where we have developed unsurpassed expertise.

PROGRESSIVE IN EVERYTHING WE DO

A progressive approach to customers and our people shapes our business. We believe being progressive will keep us ahead of the times.

OUR QUALITY

To realize our vision and fulfill the mandates of our mission statement, Red Camel has diligently implemented a robust Quality Management System aligned with the stringent criteria outlined in the globally esteemed ISO 9001:2015 standard.

THE WAY FORWARD

The company seeks to expand its reach and explore new horizons while continuing its passionate and enthusiastic approach to sustainable development that is built on solid foundations and a rich legacy of successes, to enhance its role in building a vibrant society, a thriving economy and an ambitious nation that matches the Kingdom's aspirations to move towards a brighter future.

OUR SERVICE

24/7 ON-SITE SUPPORT CUSTOMER-FOCUSED SERVICES

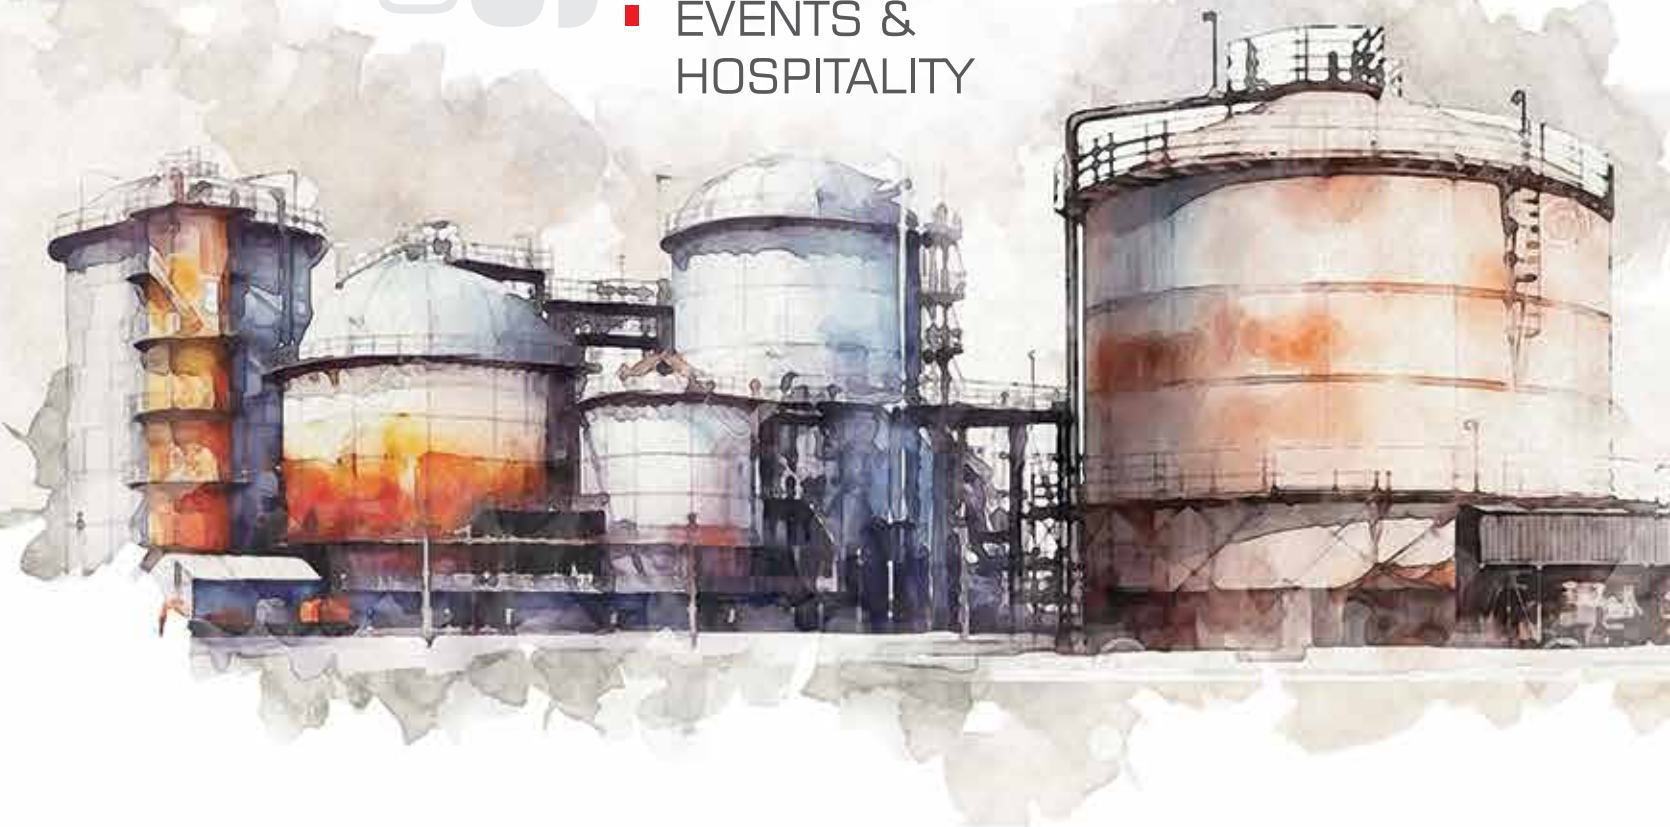

Customers are at the heart of everything we do. Our Services provide solutions to challenges our customers face in today's market.

- Rental equipment supply is supported by state-of-the-art technical services.
- 24/7 availability for on-site operational and service support
- Minimal down-time
- Scheduled preventative maintenance programs
- Qualified technical and engineering support in the field
- Proven experience in challenging conditions and remote locations
- Remote site monitoring and support programs for continuous operations
- Fleet tracking and monitoring
- On-call and rapid deployment in the field support

"the pulse of the rental industry"

www.redcamelco.com

OIL & GAS

In the Kingdom, the oil and gas sector is pivotal. At Red Camel, we are dedicated to supporting the industry that is the lifeblood of our region. We offer a comprehensive range of top-tier equipment, meticulously maintained, and tailored to meet the specific needs of oil and gas operations in the Kingdom.

We have an extensive fleet of equipment designed to tackle the unique challenges faced by the oil and gas industry in the region.

Our commitment to safety, reliability, and customer service is unparalleled. All our equipment undergoes rigorous testing to ensure peak performance when you need it. Our experienced team, well-versed with the region's specific requirements, is available 24/7 to provide expert advice and support, helping you select the right equipment for your job.

CONSTRUCTION & INFRASTRUCTURE

In an era where the Kingdom's skyline is rapidly transforming, sustainable construction takes center stage. At Red Camel Equipment Rental Co, we understand the fusion of innovation with responsibility. Our comprehensive range of cutting-edge construction equipment not only addresses the demands of ambitious projects but also emphasizes green and sustainable solutions.

From eco-friendly generators that reduce carbon footprints to our range of boom and dump trucks designed for efficiency, every piece of equipment we offer echoes our commitment to a greener tomorrow. Whether you're breaking ground, soaring to new heights with our aerial units, or illuminating the night with energy-efficient light towers, we ensure your project aligns with the global push towards sustainability.

Our regionally versed team is ever-present, ensuring you're not just equipped with tools, but with sustainable insights for enduring success.

"the pulse of the rental industry"

INDUSTRIAL & MANUFACTURING

"The industrial sector stands as the backbone of modern economies, and in the Kingdom, this sentiment echoes powerfully. At Red Camel, we recognize the sector's twin demands: unwavering performance coupled with sustainable operations. Our curated range of equipment, encompassing both innovative eco-friendly solutions and reliable conventional machinery, is designed to meet these exacting standards, enabling industries to navigate today's dynamic landscape with confidence.

Whatever the final products, power supply and material handling requirements cannot be compromised in any manufacturing facility. Red Camel has a large rental fleet that can help your plant move your raw materials and store your final product."

OFFSHORE & MINING

The use of rental equipment in offshore and mining sectors has become increasingly prevalent in recent years. This is primarily due to the temporary nature of projects in these industries, as well as the need for specialized and expensive machinery. By opting for rental equipment, companies can save on upfront costs associated with purchasing, maintaining, and storing such equipment. Additionally, renting allows for flexibility and scalability, ensuring that companies have access to the specific equipment they require for each project.

Rental equipment providers also offer expert support and maintenance services, ensuring that operations run smoothly and efficiently. Overall, renting equipment in offshore and mining sectors offers numerous benefits, making it a popular choice for businesses in these industries.

EVENTS & HOSPITALITY

POWERING EXCEPTIONAL EVENTS:

YOUR ONE-STOP EQUIPMENT DESTINATION

Behind every unforgettable event lies a suite of top-tier equipment meticulously orchestrated to ensure flawless execution. At Red Camel, we are committed to furnishing the vibrant events of the Kingdom with the highest quality tools and machinery. Our expansive inventory is poised to transform any venue and meet every technical demand, empowering event professionals to bring their vision to life without compromise.

From corporate seminars and sports events to music festivals, grand weddings, or intimate gatherings, our equipment serves as the silent partner guaranteeing seamless execution. With offerings including Power Generators & Distribution, Aerial Platforms, Climate Control Solutions, Lighting Solutions, Sound Systems, Staging & Platforms, and Porta Toilets, we are dedicated to exceeding expectations and setting the stage for unforgettable experiences.

RENTAL WITH D CAMEL

COST EFFECTIVE

Eliminate the capital expenditure of purchasing equipment, and instead, allocate funds where they're most needed. With rentals, you only pay for what you use.

ALWAYS UP TO DATE

Gain access to the latest and most advanced equipment in the market without the hassle of updating your inventory.

FLEXIBILITY

Cater to project-specific needs with the ability to upscale or downscale equipment as required.

MAINTENANCE & SUPPORT

Say goodbye to maintenance woes. Our rental solutions come with comprehensive support, ensuring that equipment is always in prime condition and ready for deployment

OUR RENTAL SEGMENTS

- ENERGY
- MATERIAL HANDLING
- EARTH MOVING
- AERIAL LIFT
- LIFTING

TOWER LIGHTS LED

Put your work in its best light. Whether working in construction, mining, oil & gas or the rental markets, you want jobsite lighting that will not fail you when you need it most. You're looking for reliability, service, support and no excuses. Allmand understands that there are no off hours - you can trust our best-in-class light towers to maximize your jobsite and keep it running all through the night and Paclite also offers Metal Halide and LED Light Towers that are perfect for events and late-night work.

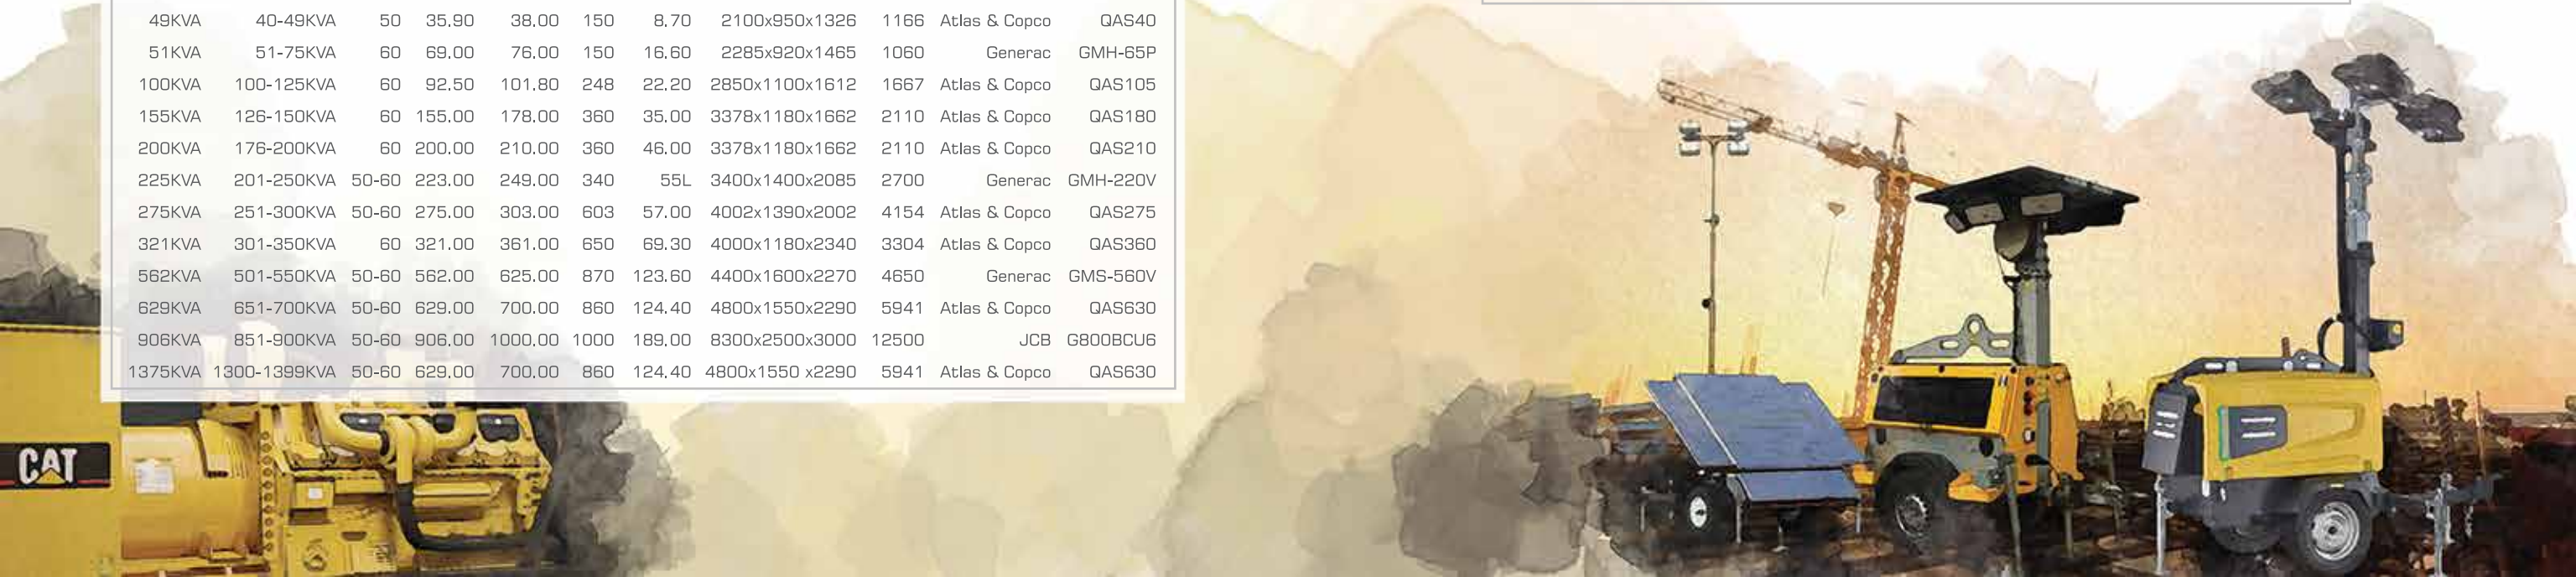

Lamp Power	Frequency	Tank Capacity	Manufacturer	Model
4x320W	60hz	120 Liter	Generac	VTevo & K2
4x250W	60hz	110 Liter	Atlas & Copco	VTevo & K2

- The above specifications are indicative only and may vary depending on lighting tower model.
- An LED lighting tower can save up to 75% fuel compared to a Metal Halide lighting tower.
- The LED lighting towers are fitted with a liquid containment tank to avoid any risk of leakages on the ground.

SOLAR

Our solar powered light towers offer the ideal alternate solution to conventional diesel powered lighting systems. While conventional diesel powered systems mean heavy fuel costs, with our solar powered systems, all you have to do is turn to the sun.

Lamp Power	Running Time	Lamps Type	Manufacturer	Model
4x85 W	13 Hours	LED	Luxtower	Monocrystal & Silicon

AIR COMPRESSOR

Red Camel Rentals inventory of air compressor rentals can meet all of your compressed air needs whether they’re big or small. Our air compressors are available in a variety of sizes that offer several different air pressure delivery rates. We feature air compressors from an 8-gallon electric model all the way up to industrial 1200 cfm units.

Below are basic specs on our towable units that can be easily equipped with the wide variety of air hammers and other tools we also have available for rent.

Capacity	Bar	PSI	Manufacturer	Model
175 CFM	7.0	100	Atlas Copco	XAS 88
185 CFM	7.0	100	Airman	PDS185S
350 CFM	10.3	125	Atlas Copco	XATS 350
400 CFM	7.0	100	Airman	PDS400S-6B5
750 CFM	10.3	150	Airman	PDSF750S-4B3
854 CFM	8.6	125	Atlas Copco	XAMS 850
938 CFM	12.0	175	Atlas Copco	XAHS 447
1102 CFM	10.3	150	Atlas Copco	XATS1200

WELDING MACHINES

We offer a range of electric and diesel powered welders, inverters and specialist welding equipment including;

Description	Manufacturer	Model	Power
400 Amp Diesel Welder with Four Wheel Trolley	Lincoln & Miller	SAE 400 / Big Blue 400X	Diesel
500 Amp Diesel Welder with Four Wheel Trolley	Lincoln & Miller	SAE 500 / Big Blue 4005	Diesel
Electric Welder	Miller	Gold Star 602	Electric
Invert Welder	Miller	EX425	Electric
TIG Welder	Miller	Maxstar	Electric

- 375 Amp electric tig machine
- 400 Amp diesel arc/welder/generator
- 500 Amp electrical welding machine
- 500 Amp diesel industrial welding machine

In addition, our welding machines output ranges from 100-500Amps with 3kVA auxiliary power.

FUEL TANKS

We supply a wide range of size and types of fuel tanks depending on customer needs. Additionally spill trays and fuel hoses are also provided by us. Our tanks are built to top quality and safety as per oil field specifications.

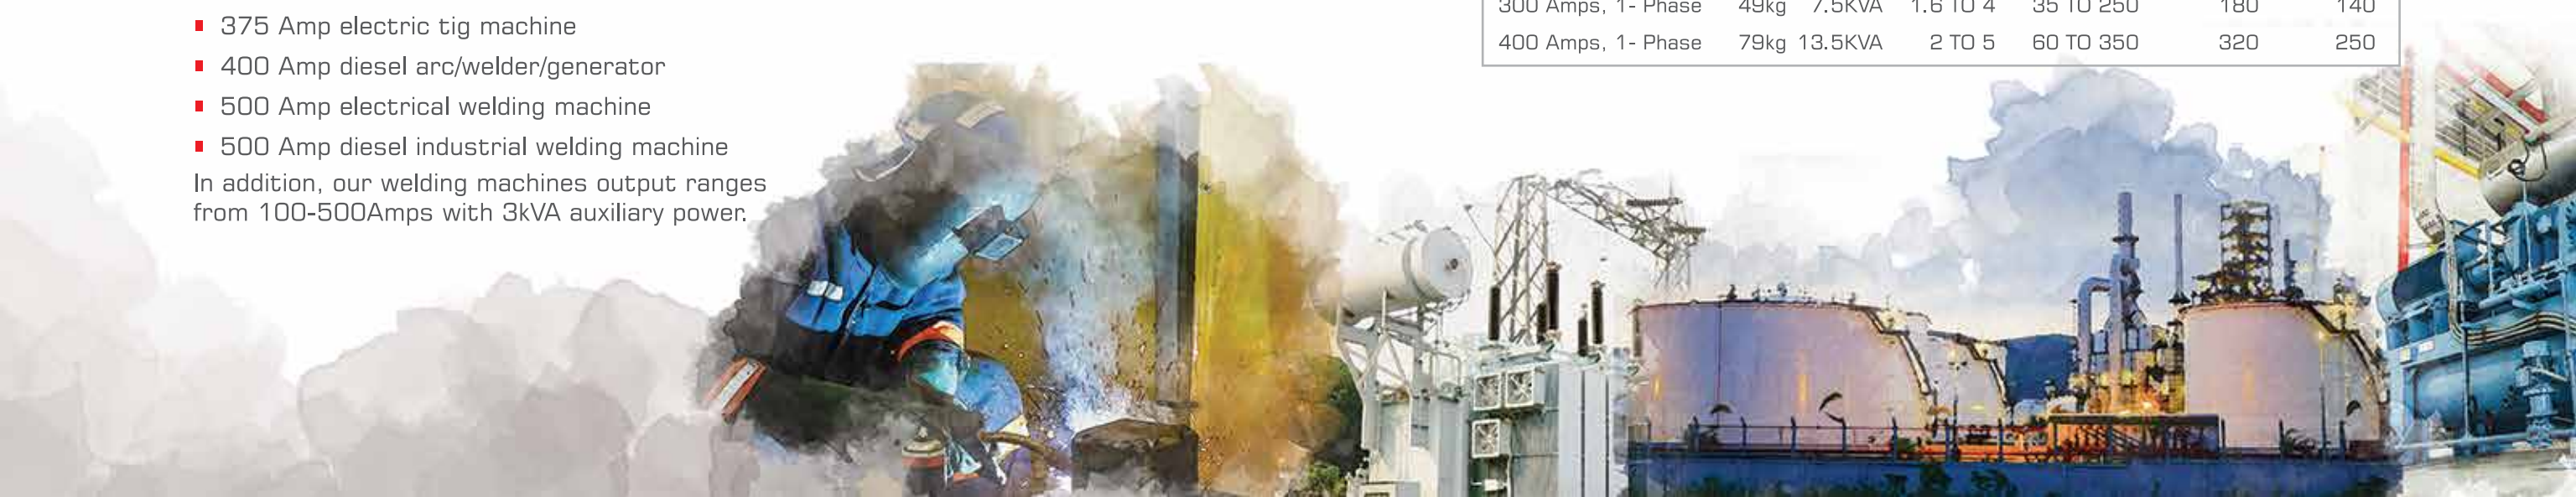

Capacity	Length	Width	Weight	Unlade Weight	No. of Connections
1,400 Ltr	1525 mm	1250 mm	1550 mm	600 Kg	1 Connection
2,500 Ltr	2275 mm	1250 mm	1525 mm	900 Kg	2 Connections
5,000 Ltr	3020 mm	1220 mm	2120 mm	1400 Kg	2 Connections
10,000 Ltr	4500 mm	1500 mm	2125 mm	2300 Kg	2 Connections

TRANSFORMERS, SWITCHGEARS & DISTRIBUTION BOARDS

We have a wide range of secondary voltages available in our step-up transformers from 3.3kV – 34.5kV at 50hz and 60Hz. The transformer ratings vary from 1.5mVA to 6.3mVA. We also have Auto-Transformers to supply special voltages from 500V – 735V @ 50Hz / 60Hz. We can also supply higher rating transformers depending on actual site requirement and duration of hire. Our 5MVA and 6.3MVA transformers are packaged in compact 20 feet containers. The containers have provision for connecting 1250kVA Generators – 6 Nos. and have a RMUs for parallel operation with multiple transformers.

A wide selection of Low Voltage synchronizing panels, Distribution Boards, Socket Panels, Quick connect socket panels, etc., are available in our range of equipments. We have MV Switchgear with multiple incoming and outgoing feeders with flexible protection relays, metering sections, etc., available for large multi-megawatt projects.

Transformer	Weight	Power	Electrode	Current Range	35% Duty Cycle	60% Duty Cycle
260 Amps, 1- Phase	30kg	6KVA	1.6 TO 3.2	55 TO 250	145	
300 Amps, 1- Phase	49kg	7.5KVA	1.6 TO 4	35 TO 250	180	140
400 Amps, 1- Phase	79kg	13.5KVA	2 TO 5	60 TO 350	320	250

MATERIAL HANDLING & WAREHOUSING RENTAL

KEEPING YOUR TRUCKS MOVING

Red Camel operate one of the largest independent fork truck service infrastructures in the Kingdom dedicated to the service and support of materials handling operations.

We provide long/short term rental of material handling equipment whether it's high-reach forklifts, very narrow aisle forklifts, we offer effective solutions for your warehousing challenges.

Red Camel has high performing range of warehouse equipment, to help you make the most of the available space in your storage facilities and to operate more efficiently.

We offer a comprehensive range of materials handling solutions across all segments.

- Storage
- Transport
- Distribution
- Oil & Gas
- Construction & Infrastructure
- Ports & Terminals
- Manufacturing
- Events

Our rental comprehensive equipment fleet includes:

- Industrial Forklift
- Pallet Trucks
- Telehandlers
- Reach Stacker/Container Handler
- Reach Trucks
- Combi lift
- Boom Trucks

INDUSTRIAL FORKLIFT

Capacity	Fork Length (mm)	Load Center	Manufacture	Model	Power
45 Ton	2600	1200mm	Konecranes	SMV 45-1200 C	Diesel
25 Ton	2600	1200mm	Doosan	250S-07	Diesel
16 Ton	2400	-----	Doosan	D160S-5	Diesel
11 Ton	2400	600mm	Doosan	D110S5 FP	Diesel
10 Ton	1970mmx2400	-----	Heli / Hyster / Cat	CPCD100-W	Diesel
7 Ton	1220mmx1,830 x2,440	-----	Heli / Hyundai / Cat	70DF-7	Diesel
5 Ton	1220mmx1,830 x2,440	600 mm	Heli / Doosan / Cat	CPCD50-5 / DP50CNT	Diesel
3 Ton	1070	500mm	Heli / Doosan / Cat	CPCD-30-W	Diesel
3 Ton	1070	500mm	Heli	B30S-7	Electric
2.5 Ton	1220	500mm	Toyota	8FBN25	Electric

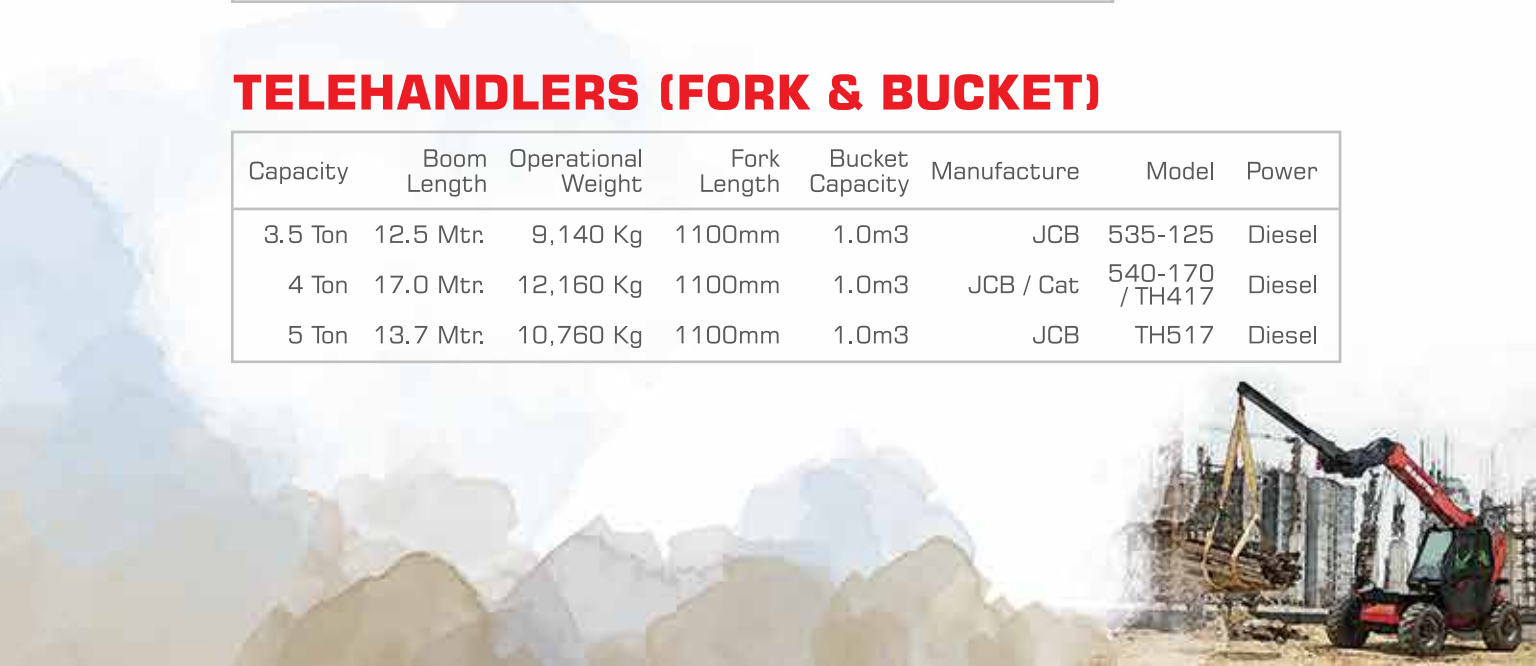

- All our Forklifts are fitted with side shifter attachment to simplify loading/unloading.
- The Lifting Capacities become less due to the 3 stages/ longer mast, side shifter, longer forks, and higher load centre.
- Care must be exercised when handling elevated loads as the Forklift stability is reduced. It is important that mast tilt in either direction is kept to a minimum when loads are raised.

PALLET TRUCKS

Capacity	Wheel Base	Load Center	Manufacture	Model	Power
1.6 Ton	1330mm	600mm	Hyster	P1.6UT	Electric

AERIAL LIFT RENTAL

When it comes to aerial challenges, Red Camel Rentals can help you complete the job whether you're working inside in an extremely confined space or 56 Meter in the air. Working in the air is serious business. We can offer you and your employees the utmost security and maneuverability to safely perform your aerial work.

Our engine and electric powered boom and scissor lifts give you the reach and power you need for the best outdoor and indoor performance. For jobs that require you to reach up and over objects, you need an articulating boom lift. Our telescopic boom lifts reach out further with more capacity, putting you right where you need to be as simply and efficiently as possible. In larger work areas with generally higher load capacities our scissor lifts can deliver exceptional terrain ability and gradeability, making it easier to maneuver through the roughest job sites.

Our rental comprehensive equipment fleet includes:

- Man / Boom Lift
 - Articulated Boom
 - Telescopic Boom
- Spider Lift
- Scissor Lift
 - Electric Scissor Lift
 - Diesel Scissor Lift

MAN / BOOM LIFT

Our boom lifts offer access up to 56m, equipped with industry-leading outreach and capacity for incredible operational accessibility. Our products are engineered to suit a wide variety of working environments.

ARTICULATING BOOM LIFT

At Red Camel Rentals, we offer a wide selection of JLG and Genie articulating boom lift rentals. JLG and Genie are the best in the business when it comes to lifts. They're reliable and durable, ad they provide the performance to get the job done. Articulating boom lifts have a small footprint, but a big reach. They're a Z-style aerial lift, meaning the boom sections of their arm can move independently so you can maneuver the next section to go around or over obstacles.

TELESCOPIC BOOM

We offer straight telescopic boom lifts from leading brands like JLG and Genie. we make it easy to find the right lift model and make, Straight telescopic boom lifts, or stick booms, feature a single arm. They're a common alternative to articulated booms, which can be more difficult to use because of their multiple sections. Stick booms, in comparison, are easier to control because their boom only moves in one direction

SCAFFOLDING RENTAL

Red Camel has secured its position in the country's development and modernization drive by introducing a rental system for scaffolding, formwork, and shuttering timber. Our primary focus lies in industrial scaffolding services, construction formwork services (installation & dismantling), and selling & renting scaffolding and formwork materials.

At Red Camel, we revolutionize scaffolding material supply services, striving to attract and satisfy customers by providing excellent service efficiently, effectively, and transparently. We activate a sense of partnership through the application of total quality concepts, translating them into reality checks. Our comprehensive range of scaffolding materials is available on a rental basis, tailored to meet the specific requirements of our clients. With a committed and dedicated professional staff, we ensure outstanding service delivery, making us a reliable choice for scaffolding solutions.
